Block of the Month - The year's program featured ten album and star blocks from the Quilters Cache in coordinating rainbow colors.

Charms - This year's theme was "Let's Travel the US". Each month a different state was featured and fabrics chosen accordingly; e.g. March - Kentucky, the bluegrass state - green, green/blue and teal

## Community Service -

DVI quilts - 147

Pillow cases for PSU Hershey - 1076

Patriot quilts to VA Hospice - 13

**Quilt Challenge** - In October participating members chose a non-quilting magazine from samples provided. They then drew a number from a hat that corresponded to a page number from the magazine. A picture on that page provided the inspiration for their challenge quilt. The inspiring quilts were presented at the August meeting. Anne Annibali's entry was voted first place by the membership in attendance.

**Quilt Show** - The 12th annual LQG Exhibition of Quilts was a success! The show was sponsored by Needle Down Fabrics. There were more than 150 quilts on display, including the Guild challenge and the Hoffman Challenge. There were demonstrations, a make and take, silent auction, mug rug sale and the book sale. Three quilts were made in the Jelly Roll race (sponsored by In Stitches Quilt Shop) and they were made into DVI quilts for the Guild's community service project. There was also a display of the Guild's other community service projects, including pillowcases and quilts.

A choice auction was a new event this year and was very well supported by visitors. Guests had the option to purchase a ticket(s) to put in the drawing for three "extra-special" items. Nine vendors participated in the show and each vendor chose their favorite quilt and wall hanging and gave a coupon to that winner for reduced prices on purchases from the vendors' booth. The winner of the Viewer's Choice was Donna Doberstein, and Myrna Todd was second. Chairmen Amy Wissinger and Maureen Light announced that they will be retiring from chairing the show and are looking for two Guild members to fill their positions. The 2018 show was the most profitable show in the guild's history.

**Fall Retreat** - Held October 26-28, 2018 at Camp Swatara and was coordinated by Ann Davis and Jan Morrissey.

**Spring Retreat** - Held March 1-3, 2019 at Camp Swatara and was coordinated by Ann Davis and Jan Morrissey.

**Membership** - As of June 2019 we have 187 members.

**Website** - turned over to Kathy Foltz this spring, who is doing a wonderful job keeping us up to date

### **Other Accomplishments** -

Change of meeting venue - beginning in January, 2019, meetings were held in the Cedar Crest Senior High School cafeteria.

UFO Club - Jolynn Brummer challenged members who wished to participate to randomly choose a total of 6 projects that they wanted to finish. The projects were numbered and each month a number was chosen at the meeting and participants were to work on that project, either to finish it or just reach a preset short term goal for the project. Many completed UFO projects were shared at guild meetings throughout the year.
